| Spanish  | 27 - 36   | SPN 1121 Elementary Spanish II  |
| Spanish  | 37 - 45 * | SPN 2220 Intermediate Spanish I |
| Spanish  | above 45  | see advisor in Modern Languages |

\* Students who receive a score **above** the number indicated by an asterisk have fulfilled the equivalent of the Arts & Sciences foreign language requirement and are proficient in that language through the intermediate level. For French, a score of 48 or higher exempts a student from the foreign language requirement. For German, a score of 44 or higher exempts a student from the foreign language requirement. For Spanish, a score of 46 or higher exempts a student from the foreign language requirement. No credit is awarded for exempted classes.

**Students:** If you receive a score high enough for exemption from the foreign language requirement, please bring your score printout (from Canvas) to your academic dean's office to receive a language waiver. **All students in majors housed within the College of Arts and Sciences may bring their score printouts to the Modern Language Advisor in DIF 364 or email a screenshot of their score to MLLAdvising@fsu.edu.** Language waivers for the College of Arts and Sciences will only be put into the system once the student has reached 90 total credit hours or once a student has been certified into the College as an upper division student. If you are not yet certified into the college as an upper division student, please save your score and visit the Modern Languages and Linguistics academic advisor once you are an upper division student.

*Special Note: For placement into a higher language level this score is valid only during the semester the test was completed or within 60 days of taking the test. If your score is high enough to exempt the language requirement, your score is valid until you graduate from Florida State.*
